TO MAKE UP—With a slightly damp cloth and warm iron, press lightly. Using a flat seam, sew up side and sleeve seams. Sew sleeves to back and fronts, placing seams to side seams. Join ends of front bands and sew in position across back of neck and tops of sleeves. Sew on buttons to correspond with buttonholes. Finally, press all seams.

SOME IMPORTANT INFORMATION

Avoid disappointment — buy the wool recommended. Buy wisely — buy enough — the same blend cannot be repeated.

HOW TO CHECK YOUR TENSION—Before you commence knitting, check your tension carefully; on this depends the success of the finished article. Take the wool and needles specified in the instructions, cast on 20 stitches, work 20 rows in plain smooth fabric. **Lightly** press work. Check the tension by placing an inch tape across the stitches, count the exact number of stitches to one inch and compare with the tension given in the instructions. All tensions are measured over plain smooth fabric, **lightly** pressed. If your tension is too loose, try a size finer needle. If your tension is too tight, try a size coarser needle. If there is more than one size of needle recommended in the recipe and you alter the needles to obtain the correct tension in plain smooth fabric, corresponding alterations must be made to the needles throughout the instructions.

KNITTING STITCH

Knitting Stitch is a stitch worked directly over each knitted stitch, with a contrasting colour to represent the same knitted stitch as before.

Each square on the graph represents one stitch.

Insert needle from back of work, in the centre of any stitch and draw through. * Insert needle from right to left, underneath the two loops of the same stitch one row above, and draw through, then insert needle back into original place where needle was first inserted, draw underneath the two loops still working from right to left, and out into the centre of the next stitch (thus completing one knitting stitch), repeat from * to end of graph pattern.

All rows of pattern are worked from right to left, then from left to right, till the motif or pattern has been completed.
